Something about transitioning to a new career field. Data Analyst with a background in B2B e-commerce, including EDI. This is supposed to be up to three sentences long so here is the third sentence to see how it works.

## SKILLS

---

- Technical skills like SQL, Excel, Python, Tableau
- Softened skills like perseverance, curiosity, and opportunity

## EXPERIENCE

---

**E-Commerce Coordinator/Analyst, Elliott Electric Supply**

**Feb 2014 – May 2022**

This one is supposed to be a summary of your job I think and probably should just be one sentence long. Maybe two.

- Here's a thing I did
- Here's another thing I did
- I am using DA job posting keywords
- I am using soft skill words to describe things
- I am going to be getting this job

## EDUCATION & CERTIFICATIONS

---

**Lamar State College - Port Arthur, AAS Computer Information Systems**

**2004**

**Google Data Analytics Certificate**

**2022**
